What does Mario use to destroy the germs spilling out of the jars?

DR. MARIO

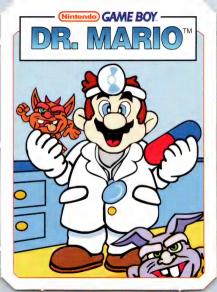

Welcome to Dr. Mario! This time. Mario has to turn his hand to science, defeating the germs that threaten to spill out of their jars using specially developed capsules. These germs don't know when they are beaten - as soon as one iar is cleared, a few more viruses appear!

Answer: Vitamin Pills

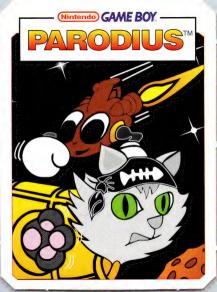

Mario's only chance to destroy the virus is to cover each one with three pills of the identical shade. If he can wipe out three or four at the same time then he will be well on his way to clearing the jar. However, if he fails then the viruses will spill out of the top of the jar and Mario will be thwarted!
